

## PRODUCT INFORMATION SHEET

### Mini cordless grinder 7,2 V, 101 pcs

#### Product description

The mini cordless grinder with a set of 101 accessories is a multifunctional precision tool, ideal for cutting, grinding, drilling, polishing and engraving. The functionality of the tool and its wide range of applications are complemented by a rich set of accessories - 101 items included. It allows for high precision work thanks to a wide speed range of 5,000–28,000 rpm. Adjusts speed to suit the type of material and task. It provides complete freedom of work in any place without the need for access to a power outlet, thanks to battery power. The small diameter of the handle and compact dimensions ensure a secure grip and access to tight places. Full control over the tool parameters provided by an LED display. The precision of the work is enhanced by the illumination of the workpiece with LED. The ergonomic, non-slip handle ensures comfortable work and reduces hand fatigue. It works well in modelling, DIY and professional uses.
