

PRODUCT INFORMATION SHEET

Set Brushless Angle Grinder With Speed Control 125mm 18V

Product description

Powerful and reliable grinder for cutting and grinding metal, smoothing welds and removing rust. It will work well on the construction site, in car and locksmith workshops.

Main features:

- **KickBackStop** function protects against kickback – the engine stops when jerked,
- quick installation of the disc thanks to the **QUICKTECH** nut,
- electronic disc speed control for better control,
- 125 mm diameter disc with a speed of 10,000 RPM – fast cutting and effective grinding,
- two protective covers, easily adjustable without tools,
- side anti-vibration handle mounted in 2 positions,
- brushless motor – more power, longer operating time and durability,
- filter protecting the engine from dust and metal filings,
- metal gear for increased wear resistance and precision of operation,
- Can be placed upright with the battery for easy storage.

4 Ah battery

- lightweight and compact, compatible with the entire OneAccuSystem line,
- electronics controlling efficiency, working time and safety,
- protection against overheating, short circuit and moisture,
- cell charge level indicator,
- durable housing with rubber bumpers,
- operation in temperatures from -18°C to $+50^{\circ}\text{C}$.

4 A charger

- fast charging (up to 80%): 2 Ah in 30 min, 4 Ah in 60 min,
- battery voltage and temperature control,
- protection against overheating and short circuit,
- extended cell life thanks to intelligent electronics,
- Easy-to-read indicators for charging status.

System advantages:

OneAccuSystem 18V powered – mobile and fully compatible with a wide range of power tools.

Warranty: 3 years with Door to Door service – minimum downtime, maximum efficiency.

Characteristics

- **KickBackStop** function.
- Tool-free installation and adjustment of **QUICKTECH** disc guards.
- Maximum diameter of the disc – 125 mm.
- Maximum rotational speed – 10,000 RPM.
- Cutting guard.
- Grinding guard.
- Smooth adjustment of the position of the covers.
- 18 V battery, Li-on 4 Ah.
- 4A charger
