

KARTA PRODUKTOWA

GREG Yellow Highlighter Trousers 2XL (56)

Opis Produktu

GREG high-visibility pants are designed for high-risk environments where visibility, durability and comfort are key. The combination of durable fabrics with a functional cut makes the pants suitable for intensive field work – both during the day and after dark. Segmented reflective prints and contrasting panels increase the user's visibility, improving safety in areas with limited lighting. The solid OXFORD 300D fabric and reinforcements in sensitive areas ensure abrasion resistance and long service life even with everyday use. The ergonomic cut and WAIST SYSTEM, i.e. advanced waist adjustment, guarantee a good fit and comfort of work on the move, when bending or kneeling. Numerous practical pockets – including knee pad pockets – make it easy to organise tools and accessories. An additional advantage is the ability to lengthen the legs by 4 cm, which allows you to better adjust the pants to the user's height.

Charakterystyka

Material: 78% polyester, 20% cotton, 2% elastane Weight: 240 g/m² durable OXFORD 300D fabric segmented reflective prints for increased visibility knee pad pockets WAIST SYSTEM – waist adjustment numerous, functional pockets possibility of extending the legs by 4 cm Compliant with EN ISO 20471, Class 1
