

PRODUCT INFORMATION SHEET

Workshop cabinet, 274 pieces

Product description

Practical tool cabinet with 6 drawers for storing tools and accessories. It can be used in a car workshop or in the garage of every DIY enthusiast.

Characteristics

- 6 pull-out drawers: 4 drawers H 75 mm, 1 drawer H 154 mm and 1 drawer H 233 mm;
- maximum load: 15 kg narrow drawer, 25 kg wide drawer;
- protection against opening more than one drawer at the same time prevents the cabinet from overturning;
- the possibility of fully opening the drawers facilitates access to tools;
- drawer runners with ball bearings guarantee long-term use even with high loads;
- guides with a closing function to prevent the drawer from sliding open automatically;
- 5x1.25" TPR wheels with ball bearings;
- two swivel wheels with brakes make it possible to block the cabinet against moving;
- locking the cabinet with a key, including 2 keys, protects the tools against theft and against opening drawers during transport;
- reinforced top made of ABS plastic;
- drawers filled with EVA foam.
